Attendance
If you miss more than four (4) class sessions, your grade can be adversely affected. If you miss more than seven (7) class sessions, I will have you dropped automatically from the class. While I might send you reminder letters on the number of classes you have missed, you are not to rely on these letters. It is your responsibility to keep track of your own absences.

PLEASE NOTE: The University of Oklahoma is committed to providing reasonable accommodation for all students with disabilities. Students with disabilities who require accommodations in this course are requested to speak with the professor as early in the semester as possible. Students with disabilities must be registered with the Office of Disability Services prior to receiving accommodations in the course. The Office of Disability Services is located in Goddard Health Center, Suite 166, phone 405-325-3852 or TDD only 405/323-4173.

Oklahoma City University is also committed to providing services to students with disabilities. If you are an OCU student with a need for special accommodations, please contact Associate Dean for Students Deborah Fathree, dfathree@okcu.edu or 405-208-5334, as soon as possible.

Class Participation
Class participation is strongly encouraged. It can help your grade if there is a sufficient level of effective class participation. That level (number of times participating) will not be determined until the Semester is over. Those who have participated above the level will automatically receive a one grade point increase in their final grade. Those who do not choose to participate above that level will receive the grade that they earn on the final exam except as it may be altered by attendance. Participation is voluntary, not mandatory.
